PROFILE SUMMARY

A Computer Science student with experience in software development, AI, ML, Computer vision, system design, and SQA. Proficient in Python, MySQL, PHP, and web development. Passionate about problem-solving and creating efficient, user-friendly software solutions.

EXPERIENCE

Beximco Communications Limited

Gulshan-1, Dhaka

Network & Infrastructure Intern

Sept'2025 - Dec'2025

- *As a part of the network & infra team, I am working with the network and infrastructure, both parts of the Akash DTH.*

CVIS Lab - BRACU

June, 2025 - Present

Research Student

- Working on an autonomous machine vision project that can identify defects on fabric for the textile industry.

PROJECTS

Thesis Library | [Github](#)

Fall, 2023

- *Developed a **Thesis Library** platform enabling users to upload, access research papers, and view supervisor profiles.*

Ward Management System | [Github](#)

Summer, 2024

- *Developed a **Ward Management System** enabling users to access and view various services provided by the local councilor's office and police station.*

Pacman Game | [Github](#)

Fall, 2024

- *Developed a **Pac-Man game** with multiple levels, difficulty settings, and a dark-light theme support for an enhanced user experience.*

- A custom UNIX shell written in C language.

THESIS

An Advanced Machine Vision Technique for Quality Control of Fabric in the Textile Industry

CGPA: 4.0/4.0

EDUCATION

BRAC University - School of Data and Science

Oct' 2021 - Sept' 2025

Bachelor of Science in **Computer Science**

CGPA : 3.35/4.00

Dhaka City College

Class of 2020

Higher Secondary Certificate(HSC)

GPA : 5.00/5.00

Bangladesh Navy College, Dhaka

Class of 2018

Secondary School Certificate(SSC)

GPA : 5.00/5.00

SKILLS

- **Language** - Python, C, PHP.
- **Database Management System** in MySQL.
- **DevOps** - Docker, GitHub.
- **Operating Systems** - Windows, Linux.
- **SQA tool** - Jira.
- **Machine Learning** model implementation using Scikit-learn, Pandas, Matplotlib, Seaborn, NumPy, and OpenCV.

LEADERSHIP AND CO-CURRICULAR ACTIVITIES

- Former **Junior Executives** - Robotics Club of BRACU
- Former **General Member** - Chess Club of BRACU

ACHIVEMENTS AND AWARDS

- **Duke of Edinburgh Award** - Bronze
- **Higher Education Stipend Recipient, Center for Community Development Assistance (CCDA)** – Awarded a monthly stipend for higher studies based on academic merit and potential.
- **Mentorship Program** - Akij iBos.

LANGUAGES

- **Bangla** - Native
- **English** - Proficient
- **Chinese** - Amateur
- **French** - Amateur
